

2010 ONTARIO MASONRY DESIGN AWARDS

VISION · STRENGTH · BEAUTY

Ontario, forever connected by vision, beauty and strength, manifested in the architectural creations of past and present.

They are where we live, play, pray and heal; where we learn, work and govern.

They stir our senses with colour, texture and form... they comfort our souls with strength.

They are masonry.

The Ontario Masonry Contractors' Association is pleased to present a celebration of these lasting architectural designs and the people who brought them to reality through the Ontario Masonry Design Awards.

You are invited to be part of the celebration
